

The background is a dark green color, decorated with a large, flowing red ribbon that forms a heart shape at the top. Various festive ornaments are scattered throughout, including a white and pink striped ball, a yellow ball with white stars, a blue and white striped ball, and a red and white striped ball. There are also green holly leaves, red berries, and small white stars. In the bottom left corner, there are white, snow-like shapes. The overall theme is Christmas or winter holidays.
